

The School of Public Health and Health Sciences
and Ramboll Environ Present

The Dean's Symposium on Healthy Communities: Health Equity and Environmental Justice

TUESDAY, APRIL 25, 2017

1:00 - 3:30 PM

Campus Center, Amherst Room (10th Floor)

“Environmental Public Health Data & Tools” Keynote by Danelle T. Lobdell, PhD

Epidemiologist
U.S. Environmental Protection Agency

Dr. Lobdell's current research involves the development of environmental public health indicators that can be tracked over time. She has a strong research interest in the area of reproductive, perinatal, and children's health outcomes.

Featured Speakers:

- **Marjorie Aelion**, PhD, Dean, School of Public Health & Health Sciences, UMass Amherst
- **Margaret M. Round**, Chief of Air Toxics, Massachusetts Department of Public Health
- **Laura Vandenberg**, PhD, Assistant Professor of Environmental Health Sciences, UMass Amherst
- **Sarita Hudson**, Director of Programs and Development, Partners for a Healthier Community
- **Jesse Lederman**, Director of Public Health & Environmental Initiatives, Arise for Social Justice

Moderator:

- **Timothy Ford**, PhD, Professor and Chair of Environmental Health Sciences, UMass Amherst
